

Mon. Jan 14.

PORTERVILLE MUNICIPAL AIRPORT — Porterville, California. Constructed during World War II and located S.W. of the city, now administered by the city this modern well equipped airport is a credit to the community. Five hundred eighty acres, and two runways of 6,000 ft.

Color Photography by Max Mohan

Got a card from ^{Mon.} Martha to-day. Got home & they didn't have to give up their fruit. Were the thrilled. She had to go to school in East St. Louis Thurs and part of Wed. She is more than snowed under. They were going to Doris' wedding Sat. Have you found a house yet?
Eva.
